PETITION TO REVIVE APPLICATION UNDER 37 CFR §1.137(b)

Applicant hereby petitions under 37 CFR §1.137(b) to revive the above application, which was abandoned on August 1, 2004 for failure to respond to the "Notice To File Corrected Application Papers" mailed June 1, 2004.

Enclosed are 1) a response to the "Notice To File Corrected Application Papers" to continue prosecution of the application, and 2) a check for \$1500 in payment of the petition fee by a large entity as set forth in 37 CFR §1.17(m).

Applicant submits that the entire period of delay was unintentional. In this regard, the original transmittal letter (copy enclosed) included a typographical error in the PTO Customer Number to which correspondence was to be directed. Specifically, the customer number was listed as "20895" when, in fact, the customer number should have been "20985" (for Fish & Richardson P.C.). Consequently, Fish & Richardson P.C. was not mailed copies of the "Notice To File Corrected Application Papers" or the following "Notice Of Abandonment", nor were copies of those papers forwarded to Fish & Richardson P.C. by the owner of customer number 20895. Fish & Richardson P.C. only learned that this application had become abandoned through a status check on the USPTO's PAIR system.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.
